A prayer for Feast of Corpus Christi

O God, who in this wonderful Sacrament
have left us a memorial of your Passion,
grant us, we pray, so to revere the sacred mysteries
of your Body and Blood
that we may always experience in ourselves
the fruits of your redemption.
Who live and reign with God the Father
in the unity of the Holy Spirit,
God, for ever and ever.

Amen

School Values

Our School Values are:

Stewardship; respect; curiosity; forgiveness; love and resilience.

This term we are focussing on Resilience

If your children show resilience at home, please send in photos and what they have done to THarvey@sjt.thedcet.com and we will share this in our Celebration Assemblies on Fridays and pop them in the newsletter.

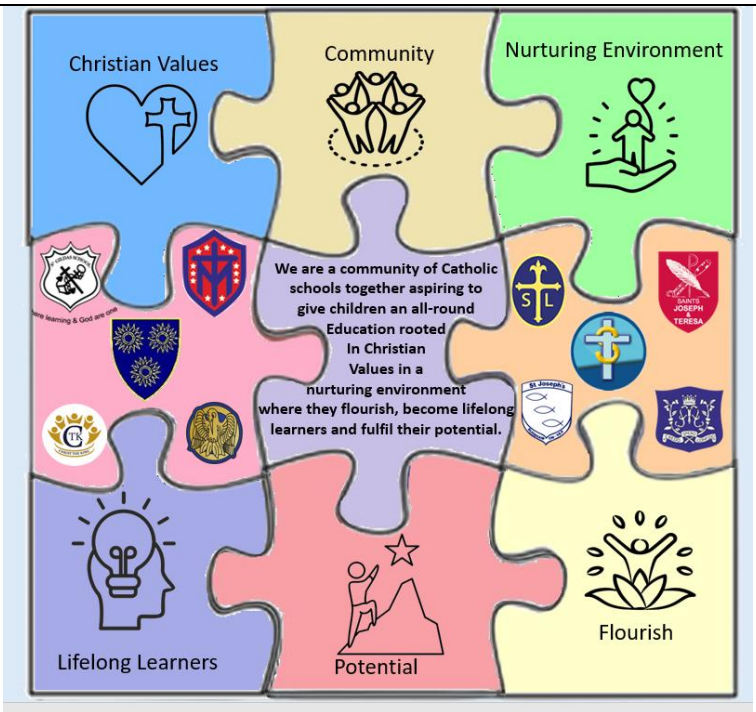

I look forward to hearing from you sharing how great your children are at showing resilience at home.

DCET Trust's vision for their schools

Please see the below for the DCET Trust's vision for their schools.

You will notice the vision in the middle of the jigsaw. We have then taken the key words that we believe will have the biggest impact on our pupils from the vision.

Celebration

This term we are focussing on the value resilience

This week we gave certificates for resilience and the school values.

Congratulations to those pupils who have received certificates today.

Nightingale

Well done to Florrie for consistently following the school rules. Florrie is an excellent role model to the class and is always ready for learning. This week in PE Florrie showed great respect for the others in her group and opted to let others go first.

Well done to Teddy for showing the value of resilience. This week Teddy has completed an enormous amount of writing tasks and shown determination when completing scissor skill activities. He completed it all with a smile on his face.

Einstein

Good job Violet for consistently showing our school value of resilience. You approach challenges with determination and keep going, even when things feel unfamiliar. You

persevere, even when things get tricky, with such a big smile on your face. Keep up the fantastic effort!

Well done, Josh, for consistently demonstrating our school rules so beautifully. You make thoughtful, sensible choices and always show kindness and respect to both your friends and adults. Your positive attitude sets a fantastic example for others, making you a brilliant role model. Keep up the excellent work, Josh!

Shakespeare

Well done to Madeline Ralls for being such a wonderful member of Shakespeare Class this year. Madeline is always kind and respectful to others, shows a great love of learning and consistently takes care in doing her best when completing her work. Well done, Madeline!

Well done to Poppy Richards for working so hard on everything she does. Poppy never gives up and always tries to be the best that she can be (never without a smile on her face). We have loved watching your confidence grow this year and we are so happy to have you in Shakespeare Class again next year!

Rosa Parks

Sofia for demonstrating resilience, determination and perseverance in her learning this week. Sofia has shown a positive attitude to challenges, especially in preparation to the multiplication check that she took this week. Well done Sofia.

Ella has shown great readiness, safety and respect this week. Her written work in English is fabulous, showing amazing attention to detail to produce her best. She has been respectful when working with people on her table and is always safe around the classroom and school. Well done, Ella.

Malala

Congratulations to Mariana for following our school rules of being ready, safe and respectful in everything she does. I am thrilled with her maturity and her ability to inspire others in how she manages herself both inside and outside the classroom. She is a credit to herself and I am thrilled to have her modelling this behaviour daily in Malala class.

Congratulations to Farhan for showing resilience this week. Farhan has made wonderful progress in his learning and I have been seeing a level of resilience in his writing, where he is careful to take on advice and then to improve his work meticulously. He constantly wants to improve and will continue to do so. Well done, Farhan.
