

Pope Francis also teaches that the most beautiful image of church is: the Church as mother. First of all a mother gives life, she carries her child in the womb for nine months and then introduces the child to life. She generates the child. The Church does likewise; she generates us in faith, by the Holy Spirit. The Church gives us life in Baptism; that is the moment she enables us to be born as children of God. It is the moment she gives us life in God. Our baptismal date is the date of our birth into the Church.

3 Pause and reflect

Gathering music

At Baptism, we were called by name, signed with the cross and became members of God's Family. With thanksgiving for such a great gift we make the Sign of the Cross.

"In the name of the Father, and of the Son and of the Holy Spirit. Amen"

Light a candle to remind us that Jesus is with us and loves us.

We hold hands and pray:

Loving Father, thank you for joy of
being a special person in my family.
Bless all who love and care for me.

Thought from St Teresa of Kolkata:

*"Let us always meet each other
with a smile,
for the smile is the beginning of love."*

4 Sing
