

2

*"It's not enough to love,
people have to feel that they are loved."*

St John Bosco

Friendship is no fleeting or temporary relationship, but one that is stable, firm and faithful and matures with the passage of time. A relationship of affection that brings us together and a generous love that makes us seek the good of our friend.

Friends may be quite different from one another but they always have things in common that draw them closer in mutual openness and trust.
