Homework – Malala Class

Date Set: Friday 7/10/22

Due Date: Tuesday 11/10/22

Another busy week in Malala class. The children have continued with their writing in English, focusing on building suspense. We also drew the cross section of a cave in Geography, exploring all of the features that we may find. In art, the children have also explored carving lino prints as part of our art unit.

We have some exciting events coming up before the half term. Next Thursday, the year 4, 5 and 6 children are visiting Cedar's Hall for an 'extravaganza performance of symphonic dance music from around the world'.

Added to this, we are also visiting the Cathedral school the following week [20th October] for our Y6 children as part of the Wells Literary Festival. An author, Dan Smith, will be hosting a talk about his book 'Nisha's War' and there will be an opportunity to purchase his books for a reduced price of £2 on the day. Please see the letter that your child has come home with for more information.

Your homework this week is mathletics and spellings. Please note that the French homework set is for consolidation purposes and should not be seen as mandatory.

Have a great weekend,

Mr Schwartz
