Homework – Malala Class

Date Set: Friday 4th November 2022

Due Date: Tuesday 8th November 2022

What a lovely first week back! The children have come in to school with a lovely positive attitude and a great work ethic! They have completed exercise routines in Science, explored poetry and biographies inspired people of prominence from black history and some of the children even ventured to Downside for the commission of the new chaplaincy team for the school.

Your homework this week is Mathletics and spellings

Have a great weekend,

Mr Schwartz
