Homework – Malala Class

Date Set: Friday 18th November 2022

Due Date: Tuesday 22nd November 2022

I am very proud of the children in Malala class this week. Not only have they completed their autumn assessments, but they have supported me in introducing 'peer supporters' in the playground to ensure games are run fairly and children are happy around the school.

Added to this, we have continued to rehearse our performance for the Cathedral Outreach Project where we will perform alongside the choristers from the Cathedral school on Friday 2nd December. Feel free to join us on that date if you can. The performance begins at 1:05pm at the Cathedral.

Your homework this week is Mathletics and spellings

Have a great weekend,

Mr Schwartz

Y5/6 Spellings	Challenge Spellings
