Homework – Malala Class

Date Set: Friday 13/01/23

Due Date: Tuesday 17/01/23

It has been a lovely week in Malala class. The children have continued with their amazing quest stories in English (see pictures of the drama lesson!) and also worked hard in our new topic of Evolution and Inheritance, learning about how fossils are formed.

Your homework this week is Science and spellings. Please see Google Classroom for your assignment. Your homework for this week is in preparation of our new science topic of **Evolution and Inheritance**. We would like you to create a colourful and exciting poster (A4 size) about a scientist who greatly contributed to the research and exploration of the Theory of Evolution. Use the internet or books from the library to help with your research. See Google Classroom for more information!

Have a great weekend,

Mr Schwartz

Y5/6 Spellings	Challenge Spellings
